## About this experience

Wonder Island is a short three-day tour covering the central hill town of Kandy and the commercial capital, Colombo. Travelling by private vehicle with a chauffeur guide, you visit a spice garden, Kandyan craft workshops, the Temple of the Tooth Relic, a forest sanctuary, botanical gardens, and finish with a city and shopping tour of Colombo before departure.

The pace is relaxed, with one main region explored per day: Kandy for two days, then a final day travelling to Colombo for sightseeing en route to the airport. Along the way there is a mix of culture, nature and craft, from sacred Buddhist sites to forest trails and landscaped gardens.

Transport, fuel, tolls, parking, a chauffeur guide and daily water are arranged throughout. Entrance fees, accommodation, meals and visa costs are handled separately, leaving the itinerary flexible around your own arrangements.
