About this experience

This short break pairs Colombo's doorstep accessibility with the adventure activities of Kitulgala, Sri Lanka's main white water rafting base. Over two days a private chauffeur guide drives you from Colombo to Kitulgala and back, with white water rafting, cycling and a cave hike filling the time in between.

The trip suits travellers who want an active, outdoor-focused escape without committing to a long itinerary: rafting on day one, then cycling and a hike into the Belilena caves on day two before the drive back to Colombo. Entrance fees are not included, so carry local currency for site access.

The tour runs as a private arrangement for one party and an English-speaking chauffeur guide, who handles driving, fuel, parking and tolls throughout, with water provided each day. Accommodation and meals are arranged separately, leaving you free to set your own pace once each day's activities are done.

White Water Rafting
