Private tour with chauffeur guide

About this experience

This three-day private tour runs along Sri Lanka's southern coastal belt, linking Colombo airport to Bentota, Galle and the stretch of coast around Ahangama and Koggala. It trades city streets for beaches, lagoons and the fortified old town of Galle, moving at an easy pace suited to a short coastal escape.

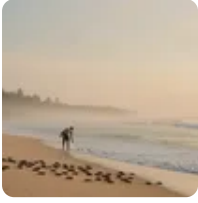

Along the way you visit a turtle hatchery, take a boat trip through the mangroves of the Madu River, see Geoffrey Bawa's country home, tour a tea factory known for its hand-processed white tea, and watch stilt fishermen at work before exploring Galle Fort's colonial streets and museums.

Travel is by private air-conditioned car with a chauffeur guide throughout, who manages the route, stops and formalities from arrival to departure, leaving you free to take in the coast at your own pace.

Day-by-day itinerary

Day 1 Colombo Airport → Bentota → Galle
