About this experience

This five-day tour links Sri Lanka's western coast with the hill-country city of Kandy before returning to the coast and Colombo. It moves from the beaches of Negombo inland to Kandy, then back down through Bentota's coastline to the capital, giving a compact mix of beach time, culture and city sightseeing.

Travellers get a close look at Kandy's Temple of the Tooth Relic and a Kandyan cultural dance show, a stop at Pinnawala to see elephants, a visit to the Kosgoda Turtle Hatchery to learn about sea turtle conservation, and a Colombo city and shopping tour that takes in landmarks such as the Old Lighthouse, the Old Parliament, Galle Face Hotel and Gangarama Temple, plus a street food walk at Galle Face Green.

The tour runs with a private chauffeur guide throughout, covering the vehicle, driver and taxes, while hotel stays, meals and entrance fees are arranged separately so travellers can choose their own standard and pace.
