Yala from Galle (2 Days)

2 days · 1 nights

Private tour with chauffeur guide

About this experience

This two-day tour runs from Galle along the southern coast before heading inland to Yala National Park, covering fishing traditions, tea production and coastal geology on the way down and wildlife safari and a seaside pagoda on the return leg.

Travellers get a close look at stilt fishing as practised by local fishermen at Koggala, a tour and tasting at a tea estate known for its hand-processed white tea, and a stop at one of the larger blowholes found anywhere, before overnighing near Yala for an early safari. The second day is built around a game drive through Yala's varied terrain, home to leopards, elephants, sloth bears and wild buffalo among other species, followed by a quiet stop at a peace pagoda overlooking the ocean on the drive back to Galle.

The tour is run with a private vehicle and an English-speaking chauffeur guide throughout, so the pace and stops are flexible within the fixed route.
